### COVID-19 MEASURES

For your safety and the safety of our staff, we will be following the latest government guidelines:

- Staggered arrivals (and departures) – 15 min slots commencing at 6.30pm – to avoid congestion in the entrance hall
- Tables are restricted to max 6 per table. However, if you are planning a celebration, please do get in touch and we can discuss the latest guidelines.
- Guests now required to wear a face covering on arrival – until seated at their table
- Guests shown straight to the table, the lounges are out of use
- Tables socially-distanced (2m apart) in both the main dining room and the garden room – reducing our maximum capacity to 15 in the main dining room and 8 in the garden room
- Hand sanitiser available for guests on arrival at Reception and/or at the entrance to the Dining Room (to avoid too many people queuing simply to wash their hands)
- Staff will wear masks whilst taking orders and serving food and drinks (they have smiley eyes) 😊
- Staff will wash and dry their hands between serving/clearing different tables
- If any of the guests in your party are at all unwell prior to setting out please telephone us to cancel and rearrange the booking.
- Carriages at 10.00pm

We look forward to hearing from you soon.
